

CRYSTAL FRANK FOR LIVONIA SCHOOL BOARD

Campaign Kickoff Fundraiser

Hosted by Lynda Scheel & Colleen Burton

Dear Friends:

I am running for reelection to the Livonia Public School Board because I want to see our children thrive! These are challenging times for our educational climate. It takes hard work and a long-term focus to continue the current and ensure the future success of Livonia Public Schools. Our Board of Trustees are required to make hard, yet wise decisions for our community to see that Livonia maintains top quality schools. We need to be wise stewards of our children’s educational funds. I am seeking reelection to the School Board to use my experience as a School Board Trustee to continue to drive the positive direction of Livonia Public Schools.

I have served on the Livonia School Board for the past four years. I also currently serve as the President of Frost Middle School PTA and have been President of Webster Elementary, and Vice President of Cass Elementary PTA. My husband Lucas and I have four children that attend Livonia schools - Stevenson, Frost, and Hoover. Lucas and I did not grow up in this community but we have chosen to raise our family here mainly because of the strong reputation of the school system.

I am supporting others who are also running for election...Tammy Bonifield, Karen Bradford, and Dan Centers. I’m honored to work with these people who are also dedicated and committed to the success of Livonia Public Schools.

Please join me on **Tuesday, September 1 from 5:30-7:30 pm at Rotary Park (32300 6 Mile Road, Pavilion 3)** for a campaign fundraiser for re-election to the Livonia School Board. We will enjoy a light dinner and get a chance to discuss the exciting future of LPS.
