Re-Elect Tammy Bonifield

Livonia Public Schools Board of Education

Hosted by Lynda Scheel & Colleen Burton

Dear Livonia Public Schools Supporter,

As a Trustee of the Livonia Public Schools Board of Education for the past eight years, I have worked to maintain the highest standards while constantly striving to improve the quality of our education system. Like many LPS families, education is a top priority. My husband Brad and I have two children, both proud graduates of Stevenson High School. We chose to live in the Livonia Public School district to provide our children with an exceptional public education experience.

I continue to be an active volunteer in our community and schools. Experiences such as Rotary and PTA have allowed me to see first-hand the time and commitment our community and district have to students and have provided me the opportunity to problem solve for encouraging outcomes. Partnering my professional experience as an accountant with my knowledge of our school district, I possess the financial background to navigate the fiduciary responsibilities required to be an effective member of the LPS Board of Education. I believe in a positive, forward thinking approach and do my best to make sound decisions that provide a bright future for our students, staff and administration.

Our children deserve to be the focus of our education system. With your vote, I will continue to be a School Board Member you can trust to make education a priority. Visit www.livoniaschoolboardreelection.com to learn more. I am supporting others who are also running for election: Karen Bradford, Crystal Frank and Dan Centers.

I look forward to seeing you on **Tuesday, September 1** from **5:30 PM – 7:30 PM** at **Livonia Rotary Park, 32300 Six Mile Road, Pavilion 3** for a light dinner and casual conversations. We are aware of varying comfort levels due to COVID -19 and respect your choice to remain socially distanced during this time.
